MAY EMPHASIS: HOLY SPIRIT & SPIRITUAL GIFTS

1 Peter 4:10

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.”

The month of May draws our attention to the **Holy Spirit and the spiritual gifts** He gives to every believer. As 1 Peter 4:10 reminds us, each of us is entrusted with gifts to serve others as faithful stewards of God’s grace. These gifts are not given for personal recognition, but to build up the Church and reflect His love in practical ways. What we have received is not to be hidden or neglected, but to be faithfully used in love and service.

As we live out our calling as an **Intentional Disciple Making Church (IDMC)**, let us be sensitive to the Holy Spirit’s leading and use our gifts to Equip, Connect, Release and Mentor others. May we be **equipped** to discover and grow in our gifts, **connected** in a community where gifts are expressed in love, **released** to serve wholeheartedly in our spheres of influence, and committed to **mentoring** others to recognise and steward their gifts faithfully!

RECOMMENDED READS FOR MAY

This May, as we focus on the **Holy Spirit and spiritual gifts**, we're reminded that every believer has been uniquely equipped by God for a purpose. The Holy Spirit empowers each of us with different gifts – not for ourselves, but to serve and build up others. God simply calls us to be faithful with what He has given.

Why not take a step this month? Be open, try something new and allow the Holy Spirit to lead you in serving others. Here are two great reads to help you grow and serve with confidence:

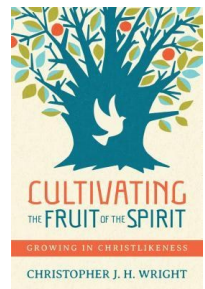

Book #1: Serve: Loving Your Church with Your Heart, Time and Gifts *By Steve Robinson*

Ready to get involved but not sure where to begin? This book makes serving practical and meaningful, showing how even small acts can make a big impact when offered to God.

Book #2: Cultivating the Fruit of the Spirit *By Christopher J. H. Wright*

While focusing on the fruit of the Spirit, this book complements the understanding of spiritual gifts by emphasising character and spiritual growth. It highlights that our service must flow from a Spirit-led life, reflecting God's grace in both action and attitude.

Swing by the library and check out these books and more. You might just discover something new about how God wants to use you! May we be encouraged to serve faithfully, using our gifts to build one another up and reflect God's grace in all that we do.
